 Revised Request, Note Change:

Office Building Access (24 Hours) Ten-Dollar payment (\$10) for NEW access card
 Allocated Garage Access (24 Hours) or no payment for reuse of access card on file
 Limited Garage Access (Card will not work between 7 AM and 3 PM, Monday - Friday)

Make check payable to Community Service Building Corp.

A payment of \$10 is required for a picture I.D. card. It is desirable that all persons working full-time in the Community Service Building have a picture I.D. card to show security as they enter the building. Otherwise, the employee must sign in, as do all other guests.

An additional payment of \$10 is required for a new access card. Reused access cards will be re-issued at no charge. The fees on cards are not refundable. Access cards are not necessary unless applicant needs after-hours access to the building or the garage or has allocated parking. Access cards are not issued without a picture I.D.

The organization director's signature authorizes the use of cards exclusively by the applicant while they are working in the Community Service Building. Use of cards is not transferable and they must be returned immediately to the Community Service Building management office, garage office or the security desk upon departure of the applicant. The access card will be held on file for agency reuse. Loss or theft of cards must also be reported immediately. Replacement cards for lost or damaged cards will be assessed the same fees as new cards. Unauthorized use of the card in the garage will result in charges at the daily parking rate.
